

MATH JOURNAL

Directions: Draw any 3 objects in the room. Draw 3 objects in the room that are the same.

A series of ten horizontal dashed lines, alternating in color between blue, pink, and green, providing a guide for drawing.

Directions: Draw 2 objects in the room that are the same and 2 objects in the room that are different.

The page contains ten sets of horizontal dashed lines, each set consisting of three lines in blue, pink, and green. These lines are spaced evenly down the page to provide a grid for drawing objects.

Directions: Draw an animal that has 4 legs.

A series of horizontal dashed lines in blue, pink, and green, providing a grid for drawing.

Directions: Trace your or your partner's hand and fingers.

A series of horizontal dashed lines for tracing practice, arranged in four groups. Each group consists of three lines: a top blue line, a middle pink line, and a bottom green line. The lines are evenly spaced and extend across the width of the page.

Directions: Draw 1 object and then a circle around it. Draw 2 objects and then a circle around them. Draw 3 objects, and then a circle around them. Draw 4 objects and then a circle around them. Draw 5 objects and then a circle around them.

The page contains ten horizontal dashed lines for drawing. The lines are arranged in five pairs, with each pair consisting of a blue dashed line on top, a pink dashed line in the middle, and a green dashed line on the bottom.

Directions: Write the number 0 three times. Write the number 1 three times. Draw a picture to show 1 of something.

Handwriting practice lines consisting of four sets of horizontal dashed lines. Each set includes a blue top line, a pink middle line, and a green bottom line.

Directions: Write the number 2 three times. Draw 2 dots in the five frame.
Write the number 3 three times. Draw 3 dots in the five frame.

A series of ten horizontal dashed lines for writing practice, alternating in color between blue, pink, and green. The lines are arranged in five pairs, with each pair consisting of a blue line on top, a pink line in the middle, and a green line on the bottom.

Directions: Draw a number line.

Add numbers 0, 1, 2, and 3 to the number line.

A series of horizontal dashed lines in blue, pink, and green, intended for drawing a number line.

Directions: Write the number 4 three times. Draw 4 dots in the five frame.
Write the number 5 three times. Draw 5 dots in the five frame.

A series of ten horizontal dashed lines for writing practice, alternating in color between blue, pink, and green. The lines are arranged in five pairs, with each pair consisting of a blue line on top, a pink line in the middle, and a green line on the bottom.

Directions: Write the number 6 three times. Draw 6 clouds under the numbers. Draw what you think you'll learn tomorrow.

The page contains 12 horizontal dashed lines for writing and drawing. The lines are arranged in four groups of three. Each group consists of a blue dashed line at the top, a pink dashed line in the middle, and a green dashed line at the bottom. The lines are evenly spaced and extend across the width of the page.

Directions: Write the number 7 three times. Draw 7 objects.
Write the number 8 three times. Draw 8 dots in the five frame.

The page contains 12 sets of horizontal dashed lines for handwriting practice. Each set consists of three lines: a top blue line, a middle pink line, and a bottom green line. These lines are spaced evenly down the page to provide a guide for letter height and placement.

Directions: Write the number 9 three times. Draw 9 loaves of bread.

The page contains 12 sets of horizontal dashed lines for handwriting practice. Each set consists of three lines: a top blue line, a middle pink line, and a bottom green line. These lines are spaced evenly down the page to provide a guide for letter height and placement.

Directions: Write the number 10 three times. Trace both of your hands.
Then, write numbers 1 to 10 in order on each finger.

The page contains ten sets of horizontal handwriting lines. Each set consists of three lines: a top blue dashed line, a middle pink dashed line, and a bottom green dashed line. These lines are spaced evenly down the page to provide a guide for letter height and placement.

Directions: Draw a set of 10 objects. Then write the number 10.

The page contains ten sets of horizontal dashed lines, each set consisting of three lines in blue, pink, and green. These lines are intended for drawing a set of 10 objects and then writing the number 10.

Directions: Draw 6 big spiders and 4 little spiders

The page contains ten sets of horizontal dashed lines, each set consisting of three lines in blue, pink, and green. These lines are spaced evenly down the page to provide a guide for drawing spiders.

Directions: Draw 3 circle shells and 4 triangle shells.

The page contains ten sets of horizontal dashed lines, each set consisting of three lines in blue, pink, and green. These lines are spaced evenly down the page to provide a grid for drawing the shells.

Directions: Draw 7 little crayons and 2 big crayons.

A series of horizontal dashed lines in blue, pink, and green, providing a guide for drawing crayons. The lines are arranged in a repeating pattern of blue, pink, and green, with a larger gap between the second and third lines from the top.

Directions: Write your favorite number from 1-10.
Draw a set of objects to match.

The page contains ten sets of horizontal dashed lines, each set consisting of three lines in blue, pink, and green. These lines are intended for writing a favorite number and drawing a set of objects to match it.

Directions: Draw 11 balloons. Write the number 11 inside the last balloon. Draw one more balloon. Write the number 12 inside the added balloon. Draw one more balloon. Write the number 13 inside the last added balloon.

A series of ten horizontal dashed lines, alternating in color between blue, pink, and green, spanning the width of the page. These lines are intended for drawing balloons and writing numbers as per the directions.

Directions: Draw 11 dots in the five frame. Write the number 11 next to the 11 dots. Draw 12 dots. Draw a circle around the 12 dots and write the number 12 next to it. Draw 13 dots. Draw a circle around the 13 dots and write the number 13 next to it.

A series of ten horizontal dashed lines, alternating in color (blue, pink, green, blue, pink, green, blue, pink, green, blue) from top to bottom, providing a workspace for drawing and writing.

Directions: Draw 14 flowers. Write the number 14 next to the 14 flowers.
Underneath the 14 flowers, draw 15 flowers. Write the number 15 next
to the 15 flowers.

The page contains 15 horizontal dashed lines for drawing and writing. The lines are arranged in a repeating pattern of three colors: blue, pink, and green. There are five blue lines, five pink lines, and five green lines, each set consisting of three parallel dashed lines.

Directions: Write the number 16. Draw 16 triangles. Write the number 16 in the last triangle.

The page contains 16 horizontal dashed lines, arranged in 8 pairs. Each pair consists of a blue dashed line on top, a pink dashed line in the middle, and a green dashed line on the bottom. These lines are intended for drawing triangles.

Directions: Write the number 17. Draw 17 triangles. Write the number 17 in the last triangle.

The page contains 17 horizontal dashed lines, each serving as a baseline for a triangle. The lines are color-coded in a repeating sequence: blue, pink, and green. The first line is blue, the second is pink, the third is green, and this pattern repeats five times, with the final line being green.

Directions: from your teachers instruction with the teachers guide,
Draw the animal that got the most votes. Draw the animal that got
the least votes. Draw the two animals that got less than ___ votes.

The page contains ten sets of horizontal dashed lines, each set consisting of three lines in blue, pink, and green. These lines are spaced evenly down the page and are intended for drawing animals based on the directions above.

Directions: Draw 18 circles. Write the number 18.

A series of ten horizontal dashed lines, each set consisting of three lines in a repeating color pattern of blue, pink, and green. These lines are intended for drawing and writing.

Directions: from the teachers instructions Draw an animal you would want to add to the class picture graph. Write the number of people you think would vote for it.

A series of ten sets of horizontal dashed lines for writing, each set consisting of three lines in blue, pink, and green from top to bottom.

Directions: Write the number 19. Draw 19 triangles.

Draw 20 objects. Write the number 20.

A series of ten horizontal dashed lines, alternating in color between blue, pink, and green, spanning the width of the page. These lines are provided for the student to write the numbers 19 and 20, and to draw 19 triangles and 20 objects.

Directions: Trace one of your hands. Have your Should Partner trace your other hand. Write the number of fingers on the four hands just traced.

A series of ten horizontal dashed lines, each a different color, arranged vertically. The colors from top to bottom are: blue, pink, green, blue, pink, green, blue, pink, green, and blue.

Directions: Write the number 21 three times. Write the number 22 three times. Write the number 23 three times. Write the number 24 three times.

The page contains ten sets of horizontal handwriting lines. Each set consists of three lines: a top blue dashed line, a middle pink dashed line, and a bottom green dashed line. These lines are spaced evenly down the page to provide a guide for writing the numbers 21, 22, 23, and 24.

Directions: Draw 3 apples. Draw 3 oranges. Write $3 + 3 = 6$. Draw 2 balloons. Draw 7 balloons. Write $2 + 7 = 9$. Draw five flowers. Write $2+3 = 5$.

A series of horizontal dashed lines in blue, pink, and green, intended for drawing and writing.

Directions: Write the number 25 three times. Write $8 + 2 = 10$.
Write $4 + 2 = 6$. Write $1 + 9 = 10$.

The page contains ten sets of horizontal handwriting lines. Each set consists of three dashed lines: a top blue line, a middle pink line, and a bottom green line. These lines are spaced evenly down the page to provide a guide for letter height and placement.

Directions: Write the number 25. Draw 25 objects. Write the number 26 three times. Write the number 27 three times.

The page contains ten sets of horizontal dashed lines for handwriting practice. Each set consists of three lines: a top blue line, a middle pink line, and a bottom green line. These lines are spaced evenly down the page to provide a guide for letter height and placement.

Directions: Draw 3 rocks. Write 3 under the 3 rocks. Draw 2 rocks.
Write the number 2 under the 2 rocks. Write $3 + 2 = 5$. Write $10 + 3 = 13$.

The page contains ten sets of horizontal dashed lines, each set consisting of three lines in blue, pink, and green. These lines are provided for the student to draw rocks and write the corresponding numbers and equations as instructed in the directions.

Directions: Draw 1 football. Write the number 1 under the football.
Draw 6 footballs. Write the number 6 under the 6 footballs.
Write $1 + 6 = 7$. Write $12 + 5 = 17$.

A series of horizontal dashed lines in blue, pink, and green, intended for drawing and writing.

Directions: Write number 26, 27, 28, 29 and 30 three times.

Write $13+4=17$.

The page contains ten sets of horizontal handwriting lines. Each set consists of three dashed lines: a top blue line, a middle pink line, and a bottom green line. These lines are spaced evenly down the page to provide a guide for letter height and placement.

Directions: Write a number from 21 to 30 and draw a set of objects to match that number. Use the five frame.

A series of ten horizontal dashed lines, alternating in color (blue, pink, green, blue, pink, green, blue, pink, green, blue) from top to bottom, providing a grid for writing and drawing.

Directions: Write the numbers from 1 to 30 in ascending order 3 times and in descending orders 3 times.

Handwriting practice lines consisting of 12 sets of horizontal dashed lines. Each set includes a blue top line, a pink middle line, and a green bottom line.

Directions: from the teachers guide, Draw the sets to match the story your teacher tells and solve the problem.

The page contains ten sets of horizontal dashed lines, each set consisting of three lines in blue, pink, and green. These lines are provided for students to draw sets and solve problems as instructed in the directions.

Directions: Write the number 31, 32, 33 and 34 three times.

The page contains ten sets of horizontal handwriting lines. Each set consists of three parallel dashed lines: a top blue line, a middle pink line, and a bottom green line. These lines are spaced evenly down the page to provide a guide for writing the numbers 31, 32, 33, and 34.

Directions: Draw 7 circles. Cross out 3 circles. Write $7 - 3 = 4$.

A series of ten horizontal dashed lines, alternating in color (blue, pink, green, blue, pink, green, blue, pink, green, blue) from top to bottom, providing a workspace for the student to draw and write.

Directions: Write the number 35, 36, 37, 38, 39, and 40 three times.

Handwriting practice lines consisting of 12 sets of horizontal dashed lines. Each set includes a blue top line, a pink middle line, and a green bottom line.

Directions: Copy the problems from your teacher. In the square, write the symbol that makes the math sentence correct: greater than $>$, less than $<$, or equal to $=$.

Handwriting practice lines consisting of 10 sets of horizontal dashed lines in blue, pink, and green colors.

Directions: Write the numbers 40 to 50 three times.

The page contains ten sets of horizontal dashed lines for handwriting practice. Each set consists of three lines: a top blue line, a middle pink line, and a bottom green line. These lines are spaced evenly down the page to provide a guide for letter height and placement.

Directions: PRACTICE WRITING story PROBLEMS about addition.

Handwriting practice lines consisting of 10 sets of horizontal dashed lines in blue, pink, and green colors.

Directions: PRACTICE WRITING story PROBLEMS about subtraction.

Handwriting practice lines consisting of 10 sets of horizontal dashed lines. Each set includes a blue top line, a pink middle line, and a green bottom line.

Directions: Practice writing times by whole hours.

Handwriting practice lines consisting of 10 sets of horizontal dashed lines in blue, pink, and green colors.

Directions: Write numbers 50 to 59, and 60 to 69.
Practice writing problems.

Handwriting practice lines consisting of 10 sets of horizontal dashed lines. Each set includes a blue top line, a pink middle line, and a green bottom line.

Directions: Draw an analog clock face. Draw the hands.
Write the time in digital format.

Blank space for drawing an analog clock face and writing the time in digital format. Below the drawing area are several sets of horizontal dashed lines for writing, each set consisting of a blue top line, a pink middle line, and a green bottom line.

Directions: Write numbers 70 to 79 and 80 to 89.
Practice writing problems.

A series of horizontal dashed lines in blue, pink, and green, providing a guide for handwriting practice. The lines are arranged in a repeating pattern of blue, pink, and green dashed lines.

Directions: Write numbers 90-99. Practice writing problems.

Handwriting practice lines consisting of four sets of horizontal dashed lines in blue, pink, and green colors.

Directions: Write the numbers up to 100 three times.

Handwriting practice lines consisting of 12 sets of horizontal dashed lines. Each set includes a blue top line, a pink middle line, and a green bottom line.
